

# Omnigrid

The image shows three examples of Omnigrid components:

- Single Label:** A horizontal bar with the text "Menu Label" and a width constraint of  $\&\&H$ .
- List:** A vertical stack of four "Menu Label" items, each with a width constraint of  $\&\&H$ .
- Table:** A table with four rows and one column, each cell containing "Menu Label" and a width constraint of  $\&\&H$ .
